

HELP OUR VOICE BE HEARD

Thank you for supporting our nation's credit unions! In only 4 short weeks, our members have purchased over \$600 in stuffed animals to contribute to NAFCU/PAC. NAFCU, the National Association of Federal Credit Unions, founded their Political Action Committee, NAFCU/PAC, in 1976. The goal of NAFCU/PAC is to help credit unions remain a powerful and influential political force. NAFCU/PAC is a major component of NAFCU's lobbying efforts on Capitol Hill. All contributions made to NAFCU/PAC go directly to federal candidates that support credit union issues. None of the funds are used for administrative or other purposes.

If you would like to purchase a stuffed animal to support NAFCU/PAC, please complete the following order form and mail or fax it to the credit union.
